The Rector's Visions

“The Church is the only society that exists for the benefit of those who are not its members.”

Archbishop William Temple +1944

These words from the Archbishop that helped bring the English Church through World War II ring most true as we move into the season of Advent, our season of waiting. What are we waiting for? [Hint: we are waiting for something more universally important than that perfect gift under the tree, or even the family getting together, or just the chance to have the crazy holidays behind us!] We are waiting for Jesus, of course! But why? So that he can save the world, of course. But how? Well, through his being born incarnate, his life, healing, and teaching, his death and resurrection and ... through the work of the Church, the continuing Body of Christ in the world.

We live out being the Body of Christ for the world when we gather stockings for children, food and gifts for the Christmas store or the elderly, when we offer special music in an Advent Lessons and Carols Service with our friends at Abingdon, when we pray for peace each Sunday with something more than habitual ho-hum, when we offer help through our church discretionary fund, when we buy another goat each month, when we welcome people who have never been before or only show up on Christmas and Easter to our Christmas Eve services . . . It is when we offer the Grace of God to others that all our waiting is worth it. May we wait this year, in God's Grace, for the world to be saved.

Happy, holy Advent!

Planning has already begun for this year's Annual Christmas Store to be held at the Parish House on December 8th and 9th. Needed are new toys, clothes, household items, or money to buy these items. Donations should be taken to the Social Services Building and checks can be mailed to Box 925, Mathews VA 23109.

Stockings need to be filled and returned by Thursday, December 7th. Thank you for filling all of these—we filled 70—ten more than last year!

Peggy Hudgins (725-3410)

Christmas Elves Needed

On Saturday of the Social Services Christmas Store, children will be buying gifts for their families. We need young people willing to help them wrap gifts on Saturday morning, December 9th at the Parish House. If you can help, please call Peggy Hudgins, 725-3410.

Christmas Gifts for Seniors

Lynn May is coordinating gifts for the seniors who attend the Senior Active Lifestyle Center. If you would be willing to provide a nice gift for someone, beautifully wrapped and ready to place under the tree, please contact her at (804) 824-1166. She will give you the name and clothing size or other pertinent information of a senior that will help you in your purchases. Sometimes the gift they receive at the Senior Center is the only one they will get for Christmas. Gifts need to be returned to the Parish House by December 10th.

Greens and Poinsettias at Christ Church

Please contact Mairi Furniss by December 8 (725-5249 or scotlass6@gmail.com) with your name and the person's name the flowers are in memory or in honor of. Please make sure the spelling of your honoree is correct as that is the way it will be spelled in the Christmas Eve bulletin.

Greens and Poinsettias at Kingston Chapel

A clipboard sign up is available at Kingston Chapel for you to purchase a poinsettia in memory or in honor of a loved one. Poinsettias are \$10 each. If you have any questions please call Suzy Jones, 725-2957.

Planned Giving Reminder

The best year-end giving plans make a difference in the lives of others and can improve your own financial and/or tax situation -- often right away. Please consider an immediate gift, a gift from your individual retirement account, or a gift of appreciated securities. A gift to Kingston Parish and tax savings for you.

The Lands' End Kingston Parish Storefront

In preparation for Kingston Parish's 350th anniversary in 2002, Cindy Machen had the compass rose on the banner converted to a Kingston Parish logo that could be embroidered on different apparel. During Fall Fair 2017 she was encouraged to get the Kingston Parish logo out of the library and on some wearing apparel. The Lands' End Business Outfitters has improved their technology to allow small businesses or churches to set up an account and "company electronic storefront". HOW COOL! BAM! Kingston Parish has its own Lands' End Business Outfitters (LEBO) Storefront! Just a few advantages:

- A customer can shop online and order one custom item from LEBO versus meeting minimum order requirements and having limited apparel choices.
- The entire LEBO catalog is in the Kingston Parish storefront
- LEBO offers the same top notch customer service as Lands' End. Those people in Wisconsin are soooo nice and helpful!

If you have a question or a problem with your order call LEBO at 1-800-587-1541 between 7 a.m. - 7 p.m. CST, Monday through Friday. They have the answers. Please check out the Kingston Parish Storefront and see the beautiful Kingston Parish logo. The logo has between 8,001-16,000 stitches. The storefront address:

<https://business.landsend.com/store/kingstonparish/>

Shop the wearing apparel categories.

For example, after selecting a polo shirt in the size and color you want, you may select apply logo. The Kingston Parish logo should show up on the page. You have to click on the logo to apply it to the preview panel. From there you may select changing the color of the logo thread to show up better on the shirt selected and you may select where to locate the logo. Add it to the cart.

Happy Kingston Parish Logo Shopping!
Cindy Machen

Thoughts on Vestry Service

As I draw near to the end of my three years on Vestry, I thought it might be a good time to share with you some of my thoughts about the privilege and importance of Vestry service at Kingston Parish.

I remember the moment I was approached to consider becoming a member of the Vestry. I was honored, but surprised. I had once served on Vestry at a church with a very large congregation and I wasn't sure that serving on a Vestry again was what God (or I) had in mind right then. I love Kingston Parish and all it offers me, but at that moment I was pretty content doing my own thing on my own time. I needed time to think about making such a commitment. Through prayer in my early morning "quiet time" with God, and in conversations with Gary, I realized pretty quickly that this was exactly what God wanted me to do! I have not regretted that decision for one moment in these three years.

What it is like to serve on the Vestry at Kingston Parish? The following thoughts might give you a glimpse into it.

There are so many positive factors associated with Vestry service, but for me, one of the most amazing parts of these three years has the joy of working side by side with a group of individuals who are faithfully committed to support what we already do well, and who also have new and exciting ideas about our future. In our monthly meetings, we conduct the business of the church...but equally as important, we talk about what we might do better...what lies ahead. There is mutual support and respect for one another in this body and this allows us to carry out the mission of our Parish. Yes, there is a commitment of time and energy, but for many of us those qualities are already in place. So focusing those gifts on Vestry work is a natural next step.

Three years for me have gone by amazingly fast. There never seems to be enough time to get it all done....which of course is a perfect design for a rotating Vestry. There have been so many exciting ideas put forth for our parish, our community, and beyond in these three years. Those ideas are bubbling with possibilities. With the election and commitment of three new Vestry members, I am confident that Kingston will continue to thrive and grow in ways you could not imagine.

In the coming weeks your Vestry will be preparing a slate of candidates to present to the congregation at the Annual Meeting in January. So, if you feel called by God or nudged by a Vestry person to consider serving on Vestry, please take the time to prayerfully explore the opportunity. It is such an important and necessary part of the life and health of our Parish....and so very rewarding. You are encouraged to talk to me, Gary or any Vestry member if you have any questions.

With enormous gratitude to you for entrusting me with this role in my beloved Kingston Parish...

Faithfully,
Mary Chapman
Senior Warden

Preschool News

Our school year continues to be filled with lessons, fun, crafts, and navigating friendships. We are learning to independently solve problems and helping to make our classroom a peaceful place with our words and actions. We have been talking about our neighborhood and families. We have discussed how we are the same and how we are different. We are learning about our world and that children in other continents and countries may look and live differently than we do but are also very similar in many ways; they eat breakfast, go to school, do chores, play and yes, may even complain about having to rest! Awareness and tolerance of differences and the ability to resolve conflict peacefully help even the youngest of us learn to build a foundation towards creating a just and harmonious society.

The Preschool could use discontinued wallpaper books (not rolls) for crafts (found at Sherwin Williams or most paint and decorating stores) and bird seed for our feathered friends as winter comes and the food is scarce. We are happy to be donating hats and mittens for the Social Services Christmas store. We will have a collection area right outside the classroom door. During this season when most children are thinking about what they will receive from others, we will try to offset this with thinking about what they can give to others. The children and staff of Kingston Parish Preschool wish you a very Merry Christmas.

The 223rd Annual Convention of the Episcopal Diocese of Virginia

“To You, All Hearts Are Open” was the theme of the 223rd Annual Convention of the Episcopal Diocese of Virginia which was held on Saturday, November 4th. Fr. Gary, Mary Chapman (Alternate Delegate) and I, as your Delegate, attended the Annual Convention held at Christ Church in Glen Allen, VA. The convention was well attended with over 500 Rectors, Priests, delegates and alternates in attendance. All three of our Bishops were present, Bishop Johnson presiding.

Bishop Johnson gave us a very passionate address regarding efforts in reconciliation in our society and in the church itself while living together in our close-knit communities offering God’s Peace in unity for all of God’s children. Keeping God and the Church openly in our lives we have the opportunity to make good things happen for the benefit of all. Bishop Johnson said, “I am convinced that we can, and must, seize the moment.”

In his address he emphasized the need to add a third full-time Bishop of the Diocese of VA, who would be elected (not appointed). We need to focus on bringing the youth into our midst and hopefully the addition of a third Suffragan Bishop would lead that vision. The Bishop asked for a 2.7% increase in our donation to the Diocese of Virginia to help cover that cost.

Elections were held for several positions within the Diocese, most notably the new class of Standing Committee members who serve something like a diocesan vestry. Eleven resolutions were presented and passed and those can be found on the Diocesan website.

As Bishop Ted Gulick is retiring, Bishop Johnson started the last of the official business, along with many others helping, by honoring Bishop Gulick with memories and a video celebrating his ministry.

The Middle Peninsula Region Meeting

The new Middle Peninsula Region meeting was held on November 12th at St. John’s Church in Tappahannock. This was an opportunity to meet the four new churches, their Rectors and also all the other Delegates in our region. The 15 parishes included in the Middle Peninsula Region are; Abingdon, Christ Church (Saluda), Grace (Millers Tavern), Immanuel (Old Church), Kingston, St. David’s (Aylett), St. John’s (Tappahannock), St. John’s (West Point), St. Pauls (Millers Tavern), Varina (Henrico), Vauter’s (Loretto), Ware, St. Peter’s (New Kent), and Westover (Charles City).

As Dean of the new region, Fr. Gary led the meeting first introducing Rev. Dr. Candine Johnson, Priests in Charge of St. John’s who led us in prayer and then gave us the history of her church. Everyone introduced themselves and we especially welcomed the 4 new parishes, at least 2 of which are mission parishes. Election of officers was the main business as the executive committee will have to present a new set of By-Laws. President, Josie Thorpe-Kingston, Vice President, Ann Brown-Ware, Secretary, Sarah Williams-St. John’s West Point and Treasurer, Martha Ambrose-Ware. Jayne Feminella-Varina is our representative to the Episcopal Church Women (ECW).

The Executive Committee will meet by email to start working on the By-Laws and dates and meeting places for the coming year. They are also tasked with coming up with some ideas as how we can minister together in our new region. The meeting ended within one hour with a prayer from Fr. Gary.

Submitted by Josie Thorpe, Lay Delegate to the Diocese and Middle Peninsula Region President

Vestry Notes

The Vestry met on Tuesday November 28 @ 4:30

Senior Warden: We had a guest from England visit the Community Labyrinth and share his beautiful portable labyrinth. He is making a complete circuit around America on a personal pilgrimage to visit each state. It was a very interesting and inspirational day.

Junior Warden: Work on the bathroom and pavilion has been delayed but will most likely start after the first of the year. It was suggested that we have the driveway at the parish house raked to smooth out the surface. We had a discussion of the cost of grounds maintenance.

Treasurer Report: We are still lagging in pledge offering collected this year. Phone calls are being made to remind people of their pledges. We expect to be about where we were last year in pledges for 2018. Mac announced he would be retiring and that our new treasurer would be Tom Reed. This change will be made after the annual meeting. The budget for next year is being prepared and will hopefully be ready by the December Vestry meeting. Several budget items were discussed.

Rector’s report: Tim Hudgins will be a new Trustee for Kingston Parish. We will have our Annual meeting January 21...all written reports are due to Karen by January 5th. We also voted on our 2018 pledge to the Diocese.

Other reports:

Vestry nominating committee has begun work on a slate of new vestry persons to be presented for vote at the Annual Meeting.

Mary Ann Carr reported on another successful Celtic service and plans for the next one to be in February.

The next Vestry meeting is scheduled for December 19 @ 4:30.

Kingston Parish Women

On Saturday, February 3rd we will have our annual meeting at Kingston Parish Hall (Kingston Chapel). Please come at 11:00 AM and be ready with your calendars to sign-up for our Lenten Soup with Love. Lent begins with Ash Wednesday and this year that is Valentine's Day. At this important meeting, we will organize Soup with Love and decide where the SWL donations will be sent. We will also discuss needs of the Parish and how we can help. We do have money in our KPW account and in the kitchen account, so we are prepared financially and look forward to your ideas. There will be fellowship (will there be more 8 o'clockers than 10:30 o'clockers) and following our business meeting, a delicious lunch will be served. We ask that you just bring yourselves, and a friend from your service if she has never attended one of our KPW gatherings. We ask that you call the church office (725 -2175) to let us know if you can attend....we do need numbers.

All good things must come to an end, and Sally and Suzy are ready to retire. If you would be interested in leading or helping with this luncheon, please call the church office.

Love to all,
Sally Bridgforth and Suzy Jones

Thank You, Thank You, Thank You!

I wanted to take a moment to thank some special people in our Parish.

On November 5, we had a wonderful joint worship service to present and bless our financial commitment to Kingston and to celebrate All Saints Sunday. Following the service, on that beautiful day, we had a parish Potluck Picnic and Oyster Roast. This event would not have been possible without the help of many, but in particular **Vicki** and **Charlie Carter**, **Nan** and **Bert Cross** and **Thomas Lewis**.

The oysters that day were donated by Bert and Nan, roasted by Charlie and Bert and shucked by Thomas, all graciously adding time and talent for our enjoyment.

And Vicki was her amazing self in leading me through the ins and outs of a Parish event. I am ever so grateful for each of them and the time they give so generously.

So please, when you see these Saints, thank them for this day and all that they do. We are truly an amazing group who graciously share our love for Kingston Parish and for each other in so many ways.

With gratitude,
Mary Chapman

Thank You, Kingston Parish

Dear Gary,

It is my hope that you will share this note with all the members and Marthas that helped with the food preparation for my mother's memorial service. It was very much appreciated by the whole family. They also appreciated your Payday candy bar story about Mama's sweet and salty side. Again, to all of you from our family. Thank You!

Sincerely, Betty Cato, Harrison Fuller, Lynn Satterwhite and Jim Fuller, Children of Ann Fuller

Dear Parishioners,

We were so touched that you also made a prayer shawl for Tom. We also thank you for the beautiful flowers from the Christ Church altar. We certainly appreciate your kindness. It has helped us through this difficult time. Tom enjoys the cards and the phone calls and often walks around the house wearing his prayer shawl. God's blessings to all of you.

*With thanks,
Janet and Tom Bullen*

Dear Kingston Parish family,

Jim and I cannot begin to thank you enough for the wonderful help you have been since my fall in September. The delicious food, the beautiful shawl, the fantastic ramp, the prayers, flowers, cards and calls have been a great comfort.

We also appreciate Kippy Gilbert and Jane Lockaby, who came with communion. Such a caring community is greatly appreciated. Thank you, Thank you. We are wishing all of you a very blessed Christmas. Hope to be with you soon.

God's Blessings,
Ginger & Jim Richards

From the Boys Home School!

Sig and Mr Fred have had an eventful fall at school. Mr Fred is present for all classes and enriches the experience. He is quite the man about campus as well and has gained quite a following. Scrabble and pizza has been widely accepted and a tournament is being planned for the New Year. A boys choir is taking shape and plans are being made for 2018. The bright colors of fall have faded as we anticipate with joy celebrating the birth of our savior.

The school bustles with activity educating and shaping the character of the young men who reside and attend school here. This is the first year we have been self contained and not affiliated with a public school. The challenges are great and the needs many. I enjoy my sixty minute classes which enables me to assist the dyslexic students with their reading and writing.

Wishing you and yours a blessed and joyous holiday season with family and friends,

Signe Langschultz and Mr. Fred
